When the day is long and the night, the night is yours  
alone

When you're sure you've had enough of this life

Well, hang on, don't let yourself go

Everybody cries and everybody hurts sometimes

Sometimes everything is wrong, now it's time to sing  
along

When your day is night alone, hold on, hold on

If you feel like letting go, hold on

When you think you've had too much of this life, well,  
hang on

Everybody hurts, take comfort in your friends

Everybody hurts, don't throw your hand

Ohh, no, don't throw your hand if you feel like you're  
alone

No, no, no, you are not alone

If you're on your own in this life

The days and nights are long

When you think you've had

Too much of this life to hang on

Well, everybody hurts sometimes, everybody cries

And everybody hurts sometimes

And everybody hurts sometimes, so, hold on, hold on

Hold on, hold on, hold on, hold on, hold on, hold on
