Sleep, my baby
The planets line up in your mind
As you sleep, my baby
Your soul's in line you?ll be just fine

So sort out
Guess what I?m out of touch

You?re out of reach, my darling
You?re safe in sleep
Could I leave you? Step by step
You?re out my reach
I felt pain once
Hurt you, out of touch

Turn away now
I hear you cry, you?re lost in time as I
Start to fly now
Your soul is mine I?ll be just fine

I soared up
Got swallowed out of touch

You?re out of reach, my darling
You?re safe in sleep
Could I leave you? Step by step
You?re out my reach
I felt pain once
Put you out of touch
Put you out of touch

I?ll apologize
Guilty as no surprise

You?re out of reach, my darling
You?re safe in sleep
Could I leave you? Step by step
You?re out my reach
I felt pain once
Put you out of touch

Put you out of touch

Put you out of touch
