(Parks/Skinner/Caporaso)

lady of the eyes  
your eyes are just melting me  
so strong  
smoulder in to my mind  
and I'll do everything I did

Lady of my eye  
your light's just too bright for me  
so blind me  
control me  
don't find me  
until I say

I'd tear your heart out  
leave you for this mess I'm in  
keep you for keepsake  
until the blow hits me  
and finally  
I'll land on my knees

a second ago  
you told me to wait one more  
I'm walking away  
but you're with me today  
Til then...

just show me your faith  
and I'll remember the kiss that you sold me  
I paid all your price now  
I'm too scared to cry  
over conscious of you

I'll tear your heart out  
leave you with this mess I'm in  
you'd keep me for keepsake  
until my blow hits me  
and finally  
I'm back on my knees  
back on my knees again

lady of the eyes  
lady of my eye  
your light's just too bright  
over conscious of you
