So you think you're free, but you haven't seen the last  
of me  
Momma said its good to forgive, to let things be, to live  
let live  
But the short and skinny, the unabridged truth, Momma  
don't know jack  
She don't know you  
She don't know you

Can't you see the faces of those you've hurt?  
You must feel something to have been burnt  
I know something about you no one knows

Can't you the faces of those youâ€™ve hurt?

The time has come for you to walk tall  
Damn your pride, hit him like a wall  
You can crush them all

The short and skinny, the whole truth  
Momma knows jack, Momma knows you

Yeah! Yeah! Yeah!

The time has come for you to walk tall  
Damn your pride, hit him like a wall  
You can crush them all

The short and skinny, the whole truth  
Momma knows jack, Momma knows you

Yeah! Yeah! Yeah!

So you think you're free, but you haven't seen the last  
of me  
Momma said its good to forgive, to let things be, to live  
let live  
But the short and skinny, the unabridged truth, Momma  
don't know jack  
She don't know you  
She don't know you
