Oh! Oh! Oh! Oh! Aw!

Hello, neighbor, invite me in  
I just want to be your friend  
Make no mistake, I won't bite you

I know I'm a little scary  
The situation seems quite hairy  
But you'll see I'm just your average joe

Now let me tell you I'm a werewolf, bitches, now let me  
in  
I'm as cuddly as Rin Tin Tin  
I won't eat your kids, maybe just your wife

And if you don't open up you'll soon realize  
Not all of us Lycans are real nice guys

Oh! Aw! Oh!

Sorry, neighbor, I lost my cool  
I would love for us to carpool  
I'll scratch your back, you scratch mine  
Don't let the fangs 'a fool ya  
It's not like I will sue you  
I just need to get inside your house

Oh!

Now let me tell you I'm a werewolf, bitches, now let me  
in  
I'm as cuddly as Rin Tin Tin  
I won't eat your kids, maybe just your wife

And if you don't open up you'll soon realize  
Not all of us Lycans are real nice guys

Oh! Oh! Oh!
