There's nothi'n I wont try
Just to make you mine,
To get a little closer
Would be so divine.

And everytime I see you
You make come undone,
I always watch you near me
And you have found the one.

chorus:
Oh why dont you smile my only star
Shine on baby
Smile my only star
Smile my only star (2x)
Oh, with you by my side
I'm gonna feel so right,
And now that im close to you
Oh I could stay all night.
No matter where I go,
No matter what i do,
In the end your smile
takes me back to you.

(repeat chorus)

refrain:

You shine so true,
I cant believe you're mine
And everything may change
But to me you'll always shine
