I Beilive

I Believe

Have you ever you ever reached a
rainbow's end

And did you find your pot of gold

Ever catch a shooting star

Tell me how high did you soar

Ever felt like you were dreaming

Just to find that you're awake

Cause the magic that surrounds you

Will lift you up and guide you on your
way

I can see it in the stars across the sky

Dreamt a hundred thousand dreams
before

Now I finally realize

See I've waited all my life for this
moment to arrive

And finally yeah

I believe in the impossible

If I reach deep within my heart

Overcome any obstacle

Won't let this dream fall apart

See I strive to be the very best

Shine my light for all to see

Cause anything is possible

When you believe yeah

I can see it in the stars up in the sky

Dreamt a hundred thousand dreams
before

Now I finally realize

I've waited all my life for this moment to
arrive

And finally I believe

Yes I believe

Ohh Yeah

Love keeps liftin me higher

Liftin me higher

Love keeps liftin me higher

I said love keeps liften

Love keeps liften me

I said Love
