Now I'd like to dedicate this to all my teachers
Who said I'd be a failure, an under achiever
performing under par
I guess that makes me underrated
They never thought that, that I could make it this far

To all the cops who used to harass me
Under arrest when I was underage
To all my bosses who said I was lazy
Well, I've never been lazy just underpaid

And I'm not gonna let it bring me down
No more again
Not gonna let it bring me down
Until I get
Not gonna let it bring me down
Until I get
Six feet under the ground

Goin' swimming under water
And relaxing under the sun
Well, I don't feel like I'm under pressure
And I escape from bein' under the gun

So under privileged, under doggy, doggy
Just creeping on the under, underground, oh yeah
Well, under God, invisible with liberty
And justice for every last one of us

And I'm not gonna let it bring me down
No more again
Not gonna let it bring me down
Until I get
Not gonna let it bring me down
Until I get
Six feet under the ground

When I'm feelin' under stress
And I'm under the weather
My girl, she says she loves me
But she don't understand

It makes me wanna run and hide
Underneath the covers
But I gotta come and face it
Just like a man

Everyday I'm under fire
Runnin' on the tight rope wire
And these fools wanna tell me
That I can't win

Well, they're under estimating
Straight player hating
But I'm not gonna let 'em get
Underneath my skin

And I'm not gonna let it bring me down
No more again
Not gonna let it bring me down
Until I get
Not gonna let it bring me down
No more again

Not gonna let it bring me down
Until I get
Not gonna let it bring me down
Until I get
Six feet under the ground
