Here's the tempo, dude  
Geoff play it  
Yeah  
Oooh, yeah  
I've been jailed  
And my phone's been bugged  
But I'm still winning the war on drugs  
Oh yeah, oh yeah  
Oh yeah, oh yeah

Now in my backyard I've got a stock of suhimas  
Like my cocaine with tequila  
Oh yeah, oh yeah  
Oh yeah, oh yeah

Now ATF, and that DEA  
They busted down my door,  
But I was out of town that day  
Oh yeah (uh huh), oh yeah  
Oh yeah, (whoo), oh yeah

Now I only smoke the cronic  
No I never smoke for stress  
I get high with the help of Federal Express  
Oh yeah, oh yeah  
Everybody, oh yeah, oh yeah

Cause I've been jailed and my phone's been bugged  
But I'm still winning the war on drugs  
That's right...
