Heart Donâ€™t Need To Know
Â©2012 Paul Savoie Jr.

Sometimes, the heart donâ€™t need to know
Somethings, are just better left alone.
In someways, it can hurt more to say, whatâ€™s on
your mind
So you just let those old feelings slip away in time
And you die a little more each day, untill thereâ€™s
nothing left to say
And sometimes, â€œThe Heart Donâ€™t Need To
Knowâ€
More than once or twice, and sometimes on
occasionâ€™s
Those old memoryâ€™s, try to fool you to the
otherside
Now and then, you start to wonder why,
And you ask yourself questions, and answer with a lie
And you die a little more each day, until thereâ€™s
nothing left to say,
And sometimes, â€œThe Heart Donâ€™t Need To
Knowâ€
â€œMusicâ€
And you ask yourself questions, and answer with a lie
And you die a little more each day, until thereâ€™s
nothing left to say,
And sometimes, â€œThe Heart Donâ€™t Need To
Knowâ€ |:|
In some ways, it can hurt more to say, whatâ€™s on
you mind,
So you just let those old feelings slip away in time.
And you die a litle more each day, until thereâ€™s
nothing left to say,
And sometimes, â€œThe Heart Donâ€™t Need To
Knowâ€ |:|
