Aurora creep, I wanna sleep forever  
It seems as though you never go to bed  
You take the dollar, I'll take the dime  
Everything'll turn out right  
You know you're fun, I'll take the jump  
All I wanna know's how high

Higher than the sun  
Higher than the sun

When in doubt just think about the ending  
Wipe your eyes and strip down to the bone  
You take the dollar, I'll take the dime  
Everything'll turn out right  
Tapping your teeth, shivering feet  
The boulevard got so bright

Higher than the sun  
Higher than the sun  
You wanna play it cool, you wanna be the man  
You wanna hold my heart in your hand  
But you know that the truth, is just the fruit of the fool
