If you cut your hand
I'm gonna cut mine
And then when we shake them
Will be the same color, and type

You're smiling at me
You put down the knife
You say its not time yet
instead -- lets go walking outside

Dont give up
Don't you quite on me
Dont give up
Don't you quite on me

I'm still a boy
But you're not the same
My skin still looks see through
and I feel undernearh like a fake

You're similing again
you show me a place
You stay in that tree house
and all I had wrong was a day

Dont give up
Don't you quite on me
Don't give up
Don't you quite on me

And if hope
keeps you young awhile
then if you please
i'd like to die as a child

Dont give up
Don't you quite on me
Don't give up
Don't you quite on me
Don't give up
Don't you quite on me
Don't give up

Don't you quite on me
