I heard the news
It's the nicest thing
I've ever had the pleasure of hearing. been said
The words keep ringing over and over in my head
Again and Again

I can't believe what you're saying to me
I can't believe it no, no, no
I can't talk at all
I can't talk at all

We pay the rent
It's easily living
Never have to worry like I used to back when
I was lonely reeling
Always had a question in my head
You appeared instead

I can't believe what you're saying to me
I can't believe it no, no, no
I can't talk at all, No
I can't talk at all,

It's the sound of the river rolling me over
Bringing me down
Just beyond the water's edge

The last remark you made
Was nearly everything I'm living for
Sure as the sky, your words
They're lighting everything up before my eyes
My face my soul
my heart has lost control

I can't believe what you're saying to me
I can't believe it no, no, no
Can't talk at all, no
Can't talk at all,
