Black eyes, black lips, black clothes, and a white face
Standing in the grave yard; tears of blood crying and
Bleeding for the light.

Black eyes, black lips, black clothes white pale face
Standing in the grave yard, forgotten left alone; left
alone.

Hello there, are you still breathing; hello there do
You still exist here in life; you are fallen and burning
Inside the devil has taken you far far away now you
Belong to the nether realm; you are demonized; yeah
yeah.

Now you're dying you're dying and you're fading to
Black; the devil has taken you to hell.

Fallen fallen soul of the nether realm; you are:
Demonized; broken inside; enchanted. You are
Demonized (Yeah yeah yeah). Enchanted. Broken,
broken, dying and falling.

Black eyes, black lips, black clothes,
White pale face; standing in the grave yard forgotten;
left alone.

Black eyes, black lips, black clothes,
White pale dead face, standing in the darkness of the
Grave yard forgotten; left alone.

Hello there, hello there; are you still breathing.

Hello there do you still exist cause you are:
Demonized; enchanted and broken.

The devil has taken you to his side.(hey-ey-yee)You
are:

Demonized; Demonized; Enchanted broken (Yeah-eeh).
The devil has taken you to his side; he has taken you
To hell where he belongs.

Demonized; Enchanted, fallen and broken.

Demonized; Enchanted, fallen and broken.

The devil has taken you to his side(yeah-yehh-yehh-
yeah).

The devil has taken you to his side(eah-yeah-yeah-
yeah-yeah-yeah-eeh).

Now you belong to the darkness of hell; fade to black.

Now you belong to the darkness of hell(Yeah.); fade to
black. Yeah yeah.
