1st Verse:

You had a bad night  
You didn't do right  
You fell to sin again /and you feel bad very bad  
You repented but / you still feel the guilt  
I understand but just remember  
Jesus said, He didn't come to condemn  
But that the world might be saved through him  
Conviction comes from the Holy Spirit  
When you need it He will give it  
And there is therefore no condemnation  
To them who are in Christ  
(Them that walk in the spirit)  
No shame - No blame hey hey hey

Chorus: No shame - No blame - Jesus took the blame

2nd Verse:

Paul said the thing I don't want to do is the thing that I  
seem to do  
We're more than conquerors through Him that loved us

When we are weak he can make us strong  
Remember Jesus said, He didn't come to condemn  
But that the world might be saved through him  
Conviction comes from the Holy Spirit  
When you need it He will give it  
And there is therefore no condemnation  
To them who are in Christ  
(Them that walk in the spirit)  
No shame - No blame hey hey hey

Chorus: No shame - No blame - Jesus took the blame  
I think I'm gonna dance - go ahead - dance with Jesus

Bridge:

And I am not ashamed of the Gospel of Jesus Christ  
For it is the power of God unto salvation to everyone  
That believeth - I am not ashamed of the Gospel of  
Jesus Christ  
For it is the power of God unto salvation  
To the Jew first and also to the Greek
