Feels like you made a mistake
You made somebody's heart break
But now I have to let you go
I have to let you go

You left a stain
On every one of my good days
But I am stronger than you know
I have to let you go

No one's ever turned you over
No one's tried
To ever let you down,
Beautiful girl
Bless your heart

I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you
Tell me what I am supposed to do about it
Keep your distance from it
Don't pay no attention to me
I got a disease

Feels like you're making a mess
You're hell on wheels in a black dress
You drove me to the fire
And left me there to burn

Every little thing you do is tragic
All my life, oh was magic
Beautiful girl
I can't breathe

I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you
Tell me what I am supposed to do about it
Keep your distance from it

Don't pay no attention to me
I got a disease
I think that I'm sick
But leave me be while my world is coming down on me
You taste like honey, honey
Tell me can I be your honey
Be, be strong
Keep telling myself it that won't take long till
I'm free of my disease

Yeah well free of my disease
Free of my disease

I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you
Tell me what I am supposed to do about it
Keep your distance from it
Don't pay no attention to me
I got a disease

I think that I'm sick
But leave me be while my world is coming down on me
You taste like honey, honey
Tell me can I be your honey
Be, be strong
Keep telling myself it that won't take long till
I'm free of my disease
Yeah well free of my disease
Free of my disease
