I fall into a sacred rage to escape  
The hells of the world made of puppets and fake  
Death won't be too far now the seeds in my heart start  
to awake

So all I can do is be the man that the lord brought me to  
today  
And auuuu

Hold on to your life my love, and in your fire  
Wants too another life  
So just hold on

They say you'll find yourself one of these days  
As if they know i'm lost and can never be saved  
A gamble is what i'll take trading ashes for gold,  
hoping life will give a safe  
Life is too short to stop and stare at the blank page that  
tell your way  
Auuuuuuuuuu

Hold on to your life my love, and in your fire  
Wants too another life  
Just hold on, hold on  
Yeahhhhhh ahhhhhhhhh
