Just as I thought it was going alright  
Found out I'm wrong when I thought I was right  
It's always the same, it's just a shame, that's all  
I could say day, you'd say night  
Tell me it's black when I know that it's white  
It's always the same, it's just a shame, that's all

I could leave, but I won't go  
Though my heart might tell me so  
I can't feel a thing from my head down to my toes  
So why does it always seem to be  
Me looking at you, you looking at me  
It's always the same, it's just a shame, that's all

Turning me on, turning me off,  
Making me feel like I want too much  
Living with you's just putting me through it all of the  
time  
Running around, staying out all night  
Taking it all instead of taking one bite  
Living with you's just putting me through it all of the  
time

I could leave, but I won't go  
It'd be easier, I know  
I can't feel a thing from my head down to my toes  
But why does it always seem to be  
Me looking at you, you looking at me  
It's always the same, it's just a shame, that's all

But I love you  
More than I wanted to  
There's no point in trying to pretend  
There's been no one who  
Makes me feel like you do  
Say we'll be together till the end

I could leave, but I won't go  
It'd be easier, I know  
I can't feel a thing from my head down to my toes  
But why does it always seem to be

Me looking at you, you looking at me  
It's always the same, it's just a shame, that's all

But I love you  
More than I wanted to  
There's no point in trying to pretend  
There's been no one who  
Makes me feel like you do  
Say we'll be together till the end

Just as I thought it was going alright  
I found out I'm wrong when I thought I was right  
It's always the same, it's just a shame, that's all  
I could say day, you'd say night  
Tell me it's black when I know that it's white  
It's always the same, it's just a shame, that's all

Oh, that's all
