One might say one might say  
check it out check her out..

Started with your bottom  
then it was your number  
started up my game  
now I'm in your condo  
I know you had a man  
Caught the fucking fumble  
Rumble 'tween your legs  
ain't you got no shame?

You a fucking whore  
Why I'm fucking with you?  
You is but a whore  
So why am I fucking with you?  
You is but a whore  
Why I'm feeling for you?  
You is but a whore  
Why should I be loyal?

Asking me to love you  
Answering "I love you"  
When I know you trouble  
I deserve to stumble, uh  
Bitch I know you creepin on the low  
while I'm creepin on them hoes like a ghost.  
Why I chose a broad like you to go pose as my own?  
Bitch of a man with flow whose dough will go up like  
lambos  
Through my words I'll preserve me.  
I can like Campbell's. You spoiled.  
Do I not deserve better?  
You but a shadow of a hooker  
I'ma book it with my foot on the pedal of this super  
fucking shooter to my future.  
I'm a looper.  
Back to the start  
Ain't this fucking art?  
Start it from the bottom  
Talk like you my boy

Like you got my back  
As if you got my back  
But all you do is fap  
You ain't hitting shit if I was swung on.  
I'm tired like a swingarm, uh

You a fucking whore  
Why I'm fucking with you?  
You is but a whore  
So why am I kick it with you?  
You is but a whore  
Why I'm bleeding for you?  
You is but a whore  
Why should I be loyal?

Back to the topic  
Talk like you my family  
Talk like you my uncle or my brother or my accomplice.  
Accomplish your own and get the fuck my bone.  
You and her alike, both bitches in my eyes  
I be ridin' through my motherfucking city with a pretty  
young car called KIA ditched a broad, Maria.  
She was thick but I got other shit to hit like my  
motherfucking future, Kama Sutra.  
Dying just to touch her little crack  
Damn man I wanna go back to her  
She be crying like she lost her fucking dad.  
She deserved it.  
Got work but she's worthless - a dime for a pack.  
Can I do mine  
You do yours and mind you  
Don't like my flow then you can pack up and paddle, uh  
Get some Ritalin and sink it in  
My loyalty is ending with your bin of choices.  
You're fuck ups. You're voiceless and your captions say  
"fuck us"  
and your actions endorse this.  
I'm focused and I'm cautious from you fuckers.  
I could blur all my nerves out or blurt all these words  
out but you will stay the same cause

You a fucking whore  
Why I'm fucking with you?  
You is but a whore  
So why I kick it with you?  
You is but a whore  
Why I'm bleeding for you?  
You is but a whore..

Why should I be loyal?
