Driving 'cross the tarmac, terminal's in sight  
Runnin' down the hallway to reach Gate 35  
Bag's across my shoulder, I'm dodging left and right  
I see the gate shuttin', they say I'm out of time

Missed my plane to Cincinnati  
Hope there's another one today  
Are you there waiting for me?  
Will you believe me when I say  
I'm coming home today  
I just missed my plane

This was the last time I said I'd leave alone  
You had me promise as we hung up the phone  
You have every reason to not believe I'm true  
But this time I swear I'm coming back to you

Missed my plane to Cincinnati  
Hope there's another one today  
Are you there waiting for me?  
Will you believe me when I say  
I'm coming home today  
I just missed my plane

I'm coming home to salvage a dream  
Prove to you I say what I mean  
We'll put down roots and work as a team  
After today I won't be late again

Missed my plane to Cincinnati  
Hope there's another one today  
Are you there waiting for me?  
Will you believe me when I say that I

Missed my plane to Cincinnati  
Hope there's another one today  
Are you there waiting for me?  
Will you believe me when I say  
I'm coming home today  
I just missed my plane
