Um..

Babe we need to talk, Uh..

You know we been through our rough patch for the last couple of months.

A..A, And I'm not gonna sugar coat it talkin' about nah baby it's not you it's me I'm not gonna do that, you know I'm not gon' do that.

Cause deep down, in both our hearts we both know. It's not me. It's you.

Verse 1

I mean you beautiful, and baby I don't really know what to do with you

Come across such a broad, not usual. Cause of all these flaws, I'm through with you, Ratchet.

Lookin' all unsuitable. With an attitude oh so juvenile, Like "Watcha doin'", where you at, where you gon' be?

Girl, shut the fuck up lemme go free. Then she said "Then Piff why you were trippin on me?"

Cause bitch at the time I know where my dick was gon' be. Fine.

I don't know why you getting on me. Cause you weren't sayin that when you was lickin on me.

Girl please. Better fall back.

Cause you easy to replace, you aint all that.

The way I see you is, you lower than a ball sack. Only got you for the head like a ball cap.

I got you, but you don't got me. You still here cause you brought that weed.

But nah matter fact, you got that from me. So gimme that back then pack and leave.

Nah nah nah, nah. Hey hey goodbye. Go. You ain't even gotta say goodnight.

So don't let the door hit you where there ain't no light. Cause if love how we lived then there aint no life.

La la la la la la la, la la la la, la la la la!

Verse 2

Called her up like "Babe what you doin?" She said that she textin' asked why im flexin'.

Coming back like knowing that I cant get my ex, and she know. That's why she showing the man that she

 Does he know that all you do is bag for attention?

 Man fuck that bitch, I donâ€™™ t give a fuck. She can

 Damn. I still love her.
 Jealousy got the best of me. Why at all to our destiny?
 Shoulda knew that karmas gon mess with me
 And im hurting now, its worse mentally. And especially
 since I love her.
 And she was stressinâ€™™ me cause she felt that we
 were just meant to be for each other.
 Thought it was best to leave, now why suffer?
 Now I regret and I donâ€™™ t accept the fact that I
 messed up with my woman.
 Now I was blessed and I aint collect and now and
 didnâ€™™ t let because I wasnâ€™™ t paying attention
 cause she loved me.
 She blushed when she touched me.
 I could of cut her neck, because I was upset. Now she
 the subject of my sub tweets.
 Throwing wassups, cause thatâ€™™ s just how low I feel.
 Probably tat your name just so you could know its real.
 Tears fall cause she â€“aint mine and I stay tryinâ€™™ ,
 it takes time. Takes too long, cant take my mistakes
 back
 Erase time. Iâ€™™ m patient but I canâ€™™ t wait. Iâ€™™ m
 too anxious to get my babe my frustration is only
 raising I cant take it I need my baby now.
 I hate crying, do you think about me? Talk wit your girl,
 have a drink about me? Lie and pretend that youâ€™™ re
 safe without me?
 Hope that your bed is the place that Iâ€™™ ll be?
 Wished I didnâ€™™ t meet you. Now wish we could be
 equal. Never thought that once I leave you, right then
 and there Iâ€™™ ll need you.
 Right then and there Iâ€™™ ll need you
 Love is how we lived.
