Life
Life is life

When we all give the power
We all give the best
Every Minute of an hour
Don't think about a rest
When you all get the power
You all get the best

When everyone gives everything
And every Song everybody sings
Then it's life

Life is life
Life is life
...

Life is life
When we all feel the power
Life is life
Come on stand up and dance
Life is life
When the feeling of the people
Is the feeling of the band

Life is life
Life is life
Life
Life is life
Life is life

And you call when it's over
You call it should last
Every minute of the future
Is a memory of the past
'Cause we all gave the power

We all gave the best

When everyone gave everything
And every song everybody sings
Life is life
