Here we stand, face to face  
"Is this a trap, is this a game  
"You think I'm young, think you're insane  
"I guess it's good you are the one for me  
"You're really good, I can't complain  
"You get me back again and again  
"Yeah this could hurt, this could be wrong"  
But if it was we wouldn't get along

Why do I feel like a ninja every time I fight my way  
through"  
One, two, three, love, love, love, love  
"I was overtaken by you  
"Why do I feel like I'm failing every time I step  
into"  
My want to be love, love, love, loved  
"By you

"You held my hand, thought it was sweet  
"It was well played- done innocently  
"Thought we were cool, getting away"  
You said everything I loved to hear you say"  
What's on your mind, when you're with me  
"You have no clue how I wish you could see  
"Yeah, we get on, like it's all fine  
"But here's the truth, I just wanna call you mine

Why do I feel like a ninja every time I fight my way  
through  
"One, two, three, love, love, love, love  
"I was overtaken by you"  
Why do I feel like I'm failing every time I step  
into"  
My want to be love, love, love, loved"  
By you

(Instrumental)

Why do I feel like a ninja every time I fight my way  
through  
"One, two, three, love, love, love, love"  
I was overtaken by you"

Why do I feel like Iâ€™m failing every time I step  
intoâ€”  
My want to be love, love, love, lovedâ€”  
By you
