Slow it down, just to hear my thoughts
Risk it all, just so I'll get caught
Cut a hole inside my heart
Crawl inside just to fall apart

I don't want to be here anymore
Because it's hurting me, it's hurting me
I don't want to be here anymore
Because it's killing me, it's killing me
Â
My skin is cold, but my heart is frozen
You left me here, am I not the one you've chosen?
Can you picture me? I can still taste your lips
The dark is back, so is loneliness
Â
I don't want to be here anymore
Because it's hurting me, it's hurting me
I don't want to be here anymore
Because it's killing me, it's killing me
