Don't be surprised, I'm ripping out my eyes,
I'm on fire.

I said

Don't be surprised, I'm ripping out my eyes,
I'm on fire.

We break

We break too easily

You put on the brakes

You brake too easily

Don't be seduced until you know the truth.

I'm on fire

Don't be seduced until you know the truth.

I'm on fire.

Oh we break,

Oh we break,

we break too easily.

You put on the brakes,

You brake too easily

break.

Oh I break too easily

I brake too easily

I break too easily

I brake too easily

We break too easily

We brake too easily

You break too easily

We brake too easily

Oh we break too easily

You put on the brakes

Oh you break too easily

Oh you break too easily

I put on the brakes

I put on the brakes too easily

I put on the brakes too easily
