"Good Friend"

I wanna give
Everything our programs

I wanna say
All the little things

I wanna make
All the good times

I wanna shake
I wanna shake your hand

But what I really wanna do is dance
I wanna dance

I wanna see
I wanna see you in?

I wanna think
Oh man I wanna thing something fine

I wanna take
Oh I wanna take such a long long time

I wanna wake up and see your shoes in the stairwell

It takes a good friend to say you've got your head up
Your ass
It takes a good friend to meet you in the park in the

Dark
It takes an enemy to help you get outta bed
It takes a lover to leave you feeling loneliness

I wanna dance

I want you
I want you to sew a button on my shirt

I want you
I want you to come home

I want you
I want you to help us out

I want you
I want you to love me only for my black eyes

It takes a good friend to say you've got your head up
Your ass
It takes a good friend to meet you in the park in the
Dark
It takes an enemy to help you get outta bed
It takes your lover to leave you feeling loneliness
