Sometimes I Feel It
Sometimes I Feel It
When You're
Sometimes I Feel It
When You're Down On Your Knees

(Ichi Ni San Shi)

Sometimes I
Sometimes I
Sometimes I
Feel It

Sometimes I
Sometimes I
Sometimes I
Feel It

When You're
When You're
When You're
When You're
Down On Your Knees

But I Wonder Sometimes
If You Really Care
And I Wonder Sometimes
If You're Even There
But I Know
I Know That You Try
I Know That You Try
Your Best To Get By
