Sitting in the sun blowing talking shit with no reasons
I'm have the tube out disconnected from the sea of the
hotel
I'm looking forward to a time when my mind is not so
easily scattered
and remembering the days when the love is all that
matters
I I

A mountain in the distance it look so fake it's not
remountaince
a .illusion is seducing me to consider my options
oh road is not a home but is.eleven
it's a chance of.drink some beer in recover

I there is no one here
you cannot compare em
you cannot compare me
you cannot compare me

there is no .
I let you down
soul songs
I let you down
soul songs

.I find the place where the barks and stuff put in it
until then I'm glorify all my vices and just ruin the
punches
oh the more I love the story it always ruin love in it
sometimes I'm learning int he news and better I just
burn in some riches
I come .you cannot compare me
you cannot compare em
there is no one here

I let you down
soul songs
I let you down
soul songs
I let you down
soul songs

I let you down
soul songs
