Normal life,
Rainy night,
Normal ordinary guy, back from work I was ready to
sleep â€œtightâ€œ.
Thatâ€™s when I spotted, at the bus stop,
Aliceâ€™s rabbit across the street chewing on a cheap
lollipop

â€œHey Mr. White whatâ€™s your plan for tonight
Are you heading for a quite place or somewhere
niceâ€œ, he said
â€œMy dear you have no idea how high I am
Iâ€™m willing to listen to your words but canâ€™t
understand themâ€œ

After which he ditched me for good
Leaving my inner mood to implode!

I run and follow
Mr. White down the hole
To be welcome below
By seven dwarfs on crack
Bearing a crooked smile
Asking: â€œCan you dance baby?â€œ

Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!

In this strange lair I managed to enter
Followed by Betty Boop, Porky Pig and Homer
As I came down through the red-curtained hall
I couldnâ€™t believe what I saw :
Mickey Mouse making out with a half-conscious Minnie
Mouse
Hook looking for a crooked-â€œcrocofreeâ€œ hook up
And Sponge Bob drinking to get fucked up
Now I see Bugs Bunny buying a bag filled with blue pills
Meanwhile Snow White sniffs lines of what seems to be
white snow on the table
So carefully

I watch my step
As I try to reach the closest exit
Jump over Cartman dancing and puking
To end up face to face with the

Queen of Hearts!
And she asks: "Can you dance baby?"

Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!

Hum,
What's up doc ?

Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
Shake it, shake it, shake it, shake it Oh yeah, oh yeah!
