Gone like a winter sonnet
I still think about the
Highlights in your eyes
Highlights in your eyes

I had a dream about you
Your sorry tears brought out
The highlights in your eyes
Highlights in your eyes

My feet tied down I'm sinking
This weight around my body is
Pulling me down
Pulling me down

Burnt out memories forgotten
I dreamt a dream when I saw
The highlights in your eyes
Highlights in your eyes

Stay still darkness descends
With you right here I know the
Hard days are over
Hard days are over

With you right here I know the
Hard days are over [x6]

I had a dream about you
Across the bridge we went
I held onto your hand,
Held onto your hand

Burnt out memories forgotten
I dreamt a dream when I saw
The highlights in your eyes
Highlights in your eyes

Stay still darkness descends
With you right here I know the
Hard days are over
Hard days are over
