You walk around  
With an undeserved sense of pride  
I know and your friends know  
I'm not the only one in line

I tried to feel sorry for you  
I tried to let go  
But it's not working

No matter what I try  
It never seems to change  
I can't let this go  
I can't let this go

I think I'm losing my mind  
It's something unpredictable  
I think there's something inside  
That makes me wanna lose it all  
You won't take away  
What I have made for myself

I fantasize about the things  
That I could do to you  
I picture you without your teeth  
I'd beat your face into the floor  
Until it laid flat  
I'd peel the flesh from your f\*cking bones  
I hope you don't forget that

I have no, I feel no guilt whatsoever

This is a f\*cking promise  
That I will make your life so miserable  
(Don't think that you are safe)  
(For one f\*cking second)  
Listen the f\*ck up  
I am coming  
I am coming  
I am coming

No matter what I try

It never seems to change  
I can't let this go  
I can't let this go

I think I'm losing my mind  
It's something unpredictable  
I think there's something inside  
That makes me wanna lose it all  
You won't take away  
What I have made for myself
