I can't lie to myself anymore
Cause I can't convince myself that
Losing you won't be painful
Cause God only knows there is
Only so much I can tolerate
Here we go

I'm falling for you to realise the situation
No I, can't let you go beneath my skin
Cause I'm weakening and I'm not that strong

I can't lie to myself anymore
Lost all my hesitance
Oh Erla I'm all yours
Now don't go paddling away from me
Cause there are no more fish in the sea
Here we go

I'm falling for you to realise the situation
No I, can't let you go beneath my skin
Cause I'm weakening and I'm not that strong

Oh, I can't lie to myself anymore
Oh, I try to prove you wrong
but these forces they are, way too strong
Cause I, can't let you go
No I, I can't let, you
I can't let you go
I can't let you go

Won't you stay with me
Oh yeah, won't you stay with me, forever
This is gonna last forever
Cause I'm falling for you
I'm falling for you
I'm falling for you
I'm falling for you
