"Safe To Say"

We were meant to be
That's what everyone says
And I thought so too when we first held hands
But it wasn't safe to say (safe to say) just yet
Or so I thought so
You were on my mind all day, the next day, and the
next

And the next day
This is a feeling that doesn't fade

I think it's safe to say now that I love you
Remember everyday I'm thinking of you
Together forever
It's safe to say

You don't have to pick the petals off a daisy
To know I'm crazy about you
Baby, there is no maybe
And oh, you know I'm staying

In love with you
Oh, this I always knew

I think it's safe to say now that I love you
Remember everyday I'm thinking of you
Together forever
It's safe to say
Yeah, it's safe to say

And the next day
And the next day
And the next day
I think that I can finally say

I think it's safe to say now that I love you
Remember everyday I'm thinking of you
Together forever
It's safe to say (x2)
Yeah, it's safe to say
You know I'm crazy
