What is there to be  
When it seems like it's all going down  
The drain sucks everything  
You need to breathe the air somehow  
I don't care what they say

I'm dead, dead, dead in the water  
Dead, dead, dead in the water  
Dead, dead, dead in the water  
Dead, dead, nothing to show for

I'm supposed to see  
What is there to make this world go 'round  
But I like to learn the hard way  
You need to live your life somehow  
I don't care what you say

I'm dead, dead, dead in the water  
Dead, dead, dead in the water  
Dead, dead, dead in the water  
Dead, dead, nothing to show for

Dead, dead, dead in the water  
Dead, dead, dead in the water  
Dead, dead, dead in the water  
Dead, dead, nothing to show for

I don't care what you say  
I don't care what you say  
I don't care what you say  
I don't care what you say

I don't care what you say  
I don't care what you say  
I don't care what you say  
I don't care what you say

Dead  
Dead  
Dead  
Dead

Dead  
Dead  
Dead in the water
