Life's a bitch and then you're gone
You can pray all day and sing a song
Stay awake all night for a man to give the answers to
you

Save yourself then save us all
Blame our ways and burn our souls
You're lucky enough for a man gave the answers to you

Some people like me don't know
I don't know
Like me don't know
I don't know
Like me don't know
I don't know where to turn

Say I'm evil, say I'm worthy of Hell
Say I'm just a fool with a story to tell
I kinda know what you're thinking but I don't really care
You've got your ideas, I'm sure you're welcome to
share

Some people like me don't know
I don't know
Like me don't know
I don't know
Like me don't know
I don't know where to turn

So won't you get it straight now
I don't want your help now
Even if I'm going down
Fuck you, I don't need it

Some people like me don't know
I don't know
Like me don't know
I don't know
Like me don't know
I don't know
Like me don't know
I don't know

Some people like me don't know
I don't know
Like me don't know
I don't know
Like me don't know
I don't know
Where to take turn
