Fist on the floor pay me honey  
Teeth on the rope give me something  
Look me money  
[x4]

Wind, you roll me like a viper  
Time, you lead me to the fire  
[x2]

Teeth on the rope pay me honey  
Fist on the floor give me something  
Look me money

Wind, you roll me like a viper  
Time, you lead me to the fire  
[x2]

Teeth on the rope pay me honey  
Fist on the floor give me something  
Look me money

Wind, you roll me like a viper

Wind, you roll me like a viper  
Time, you lead me to the fire  
Time, you lead me to the fire  
Time, you lead me to the fire  
Wind, you roll me like a viper

Wind, you roll me like a viper
