Now I'm running out of time  
No regrets we have no time to wait  
Why must you be the one

I can't believe how it feels  
It's too dark to see  
Something I had never seen before

Your beauty keeps me walking on  
Now I'm running out of time  
No regrets we have no time to wait  
Why must you be the one

And this silence strips me bare  
Her head's down, she waits impatiently

Your beauty keeps me walking on  
Now I'm running out of time  
No regrets we have no time to wait  
Why must you be the one

You're not supposed to be that way  
I will stand up straight and walk away

I'm sure I'll never live this one down  
Maybe we're just drained  
I'm running out of time

Sometimes I forget you're gone  
No love lost  
How could I justify this  
There's no turning back  
I'm running out of time
