Who do you think you're talking to?
Calm down and behave yourself
No, don't take it out on me
Did you make up a fairytale?

Do you wanna taste my secret candy?
Do you wanna taste my sweet sweet candy?

None of your tricks will work on me
What can I say? should I waste my time?
What they are saying doesn't matter to me
Here's what you want, what you're looking for

Do you wanna taste my secret candy?
Do you wanna taste my sweet sweet candy?

(Guitars, yadda yadda)

Do you wanna taste my secret candy?
Do you wanna taste my sweet sweet candy?

Who do you think you're talking to?
Calm down and behave yourself
Who do you think you're talking to?
Calm down and behave yourself!

Do you wanna taste my secret candy?
Do you wanna taste my sweet sweet candy?
Candy
