I heard when it starts
When it starts
When it starts
It's gotta end

I heard losing friends...
Is easier
It's easier
Than making them

And when it's dark
When it's dark
When it's dark
There's light again

I will wait for you
I'll wait for you
I'll wait for you
Until the end

Where do you want to go?
Where do you want to go?
We'll take our time
We'll move slow
Just let me know...
Where to go
