

## Poor Spirits "Benefits"

Something I noticed when the day ends  
The world's still real if you're playing pretend  
How did I end up in all this mess, just cashing cheques  
for benefits?

It's not magic, unless you're getting tricked.  
You're not playing unless you're getting picked.  
How did I end up in all this mess, just cashing cheques  
for benefits?

It's not a secret until you keep it.  
Is it a lie, once you believe it?  
How did I end up in all this mess, just cashing cheques  
for benefits?

These benefits, these benefits.  
Some think they're evil, some think they're  
gifts.  
I live my life with no regrets; I probably miss  
these benefits.
