Verse 1:

I'm halfway to heaven, and I don't know if it's where I'm  
meant to go  
Everybody's singing out of praise, dropping down their  
names in gold

Chorus:

And I don't know where to go  
This house has changed so much since I grew  
I don't know what to do  
My heart is racing back and forth  
I don't know who to love  
This house has changed so much since I grew  
I don't know where to go  
My heart is racing back and forth

Verse 2:

I'm halfway to heaven and I don't know if it's where I'm  
meant to go  
The air is getting thinner and I'm the only one who's  
starting to choke

Chorus (x3)
