You were gone by the time I got home
Moving on, just a moment before
You were here, going back and forth
Blaming back, setting scores

Ooh ooh ooh ooh
How did you know?
Can see it all the time
How did you know?
Something wasn't right
How did you know?
Can see it all the time
How did you know?
That something wasn't right

Let me be, I can't hold still
I can't run if regret finds its way in

Ooh ooh ooh ooh
How did you know?
Can see it all the time
How did you know?
Something wasn't right
How did you know?
It happens all the time
How did you know?
Can see it all the time
How did you know?
How did you know?
How did you know?
