R'n'R

R&R quick remedy for
R&R is a used melody of
R&R lost in da beats of
R&R is a worn ceremony

R&R quick remedy for
R&R is an odd verity of
R&R caught in the beat of
R&R is a worn ceremony

R&R with no rest or recoup though
R&R with cheat and machines now
R&R empathy to folly of
R&R is a worn ceremony

That, because I remember, remember
This, because I remember remember that

R&R street therapy for
R&R is a false felony of
R&R from the streets to the treat of
R&R is a worn ceremony

R&R neat chemistry for
R&R is a dim recipe of
R&R fancy teens and routine of
R&R is a worn ceremony

That, because I remember, remember
This, because I remember remember that

R&R just a voice from the past
Which stays and stalks, with Spoiled memories of
An older time, unknown and dreamed
It's hard but try to live with your time
