Don't act like all you girls are born as strippers  
Your body makes that money but your mind it should  
be bigger  
Me I like them all but in my heart cry you a river  
Make sure you get the message from the Postman, I  
deliver  
But I'm sure you know! Yeah  
Cuz everything you do comes back around  
Don't let 'em drag you to that party uptown  
Stick it to you for moving your butt right  
Cuz all them boys stare and watching you feel uptight  
Is cuz you've seen 'em on your tv set they know  
you wanted next  
And when them ask you to come join 'em you should  
know they wanted sex I said  
You a beauty but you on the wrong page  
Lose face fame, money make 'em go astray

Don't act like you don't really know  
I don't want you in my video  
You sexy but you show it too much  
No respect for yourself just grow up Girl (x2)

Let me talk to you girls just hear me out  
Don't want to put you down just hear me out  
Let me talk to you girl, better hear me out.

We had these short break between takes so we had a  
talk  
Suddenly a sudden comfort started showing me your  
marks  
You said your man he beats you many times, consider  
you will walk  
Despite me being taken wants to offer me your heart  
I said no, see girl don't get me wrong  
See I love my woman, till my woman is gone  
And after that she did want me to write a check for her  
Taken her attitude she don't like what I said,  
warned her  
Just writing songs for 'em legs spread on the bed  
Waiting for you to jump on 'm like a taxicab  
To some it don't matter they want exactly that

But if imma treat you like this how you respect me back.

Donâ€™t act like you donâ€™t really know  
I donâ€™t tâ€™ want you in my video  
You sexy but you show it too much  
No respect for yourself just grow up Girl (x2)

Let me talk to you girls just hear me out  
Donâ€™t want to put you down just hear me out  
Let me talk to you girl, better hear me out.
