Carrie:

Jesus watches from the wall
With his face as cold as stone
If he loves me
why do I feel so all alone

Baby savior meek and mild
what do you do with my prayers
if you hear me
why do I feel that no one cares

Margaret:

Oh my baby she's my only child
With her worries raking inside her
forgive me lots if my passion runs wild
so i can't let her stumble and fall
as you helped your child divine
give me the strength to help mine

Carrie:

Mama sees inside my soul
but her face is cold as stone
if she loves me
why do I feel so all alone
so alone

There's a movement in my head
Satan's angels what kind of deeds
it's growing
it's stirring
it's churning
shipping
bending

(Spoken) What's happening to me?

Margaret:

(spoken) You can go to bed now.

Carrie:

(spoken) Yes mama.

Margaret:

(spoken) It's getting late. Say your prayers

Carrie:

(spoken) Now I lay me down to sleep

Together:

(spoken) Pray the lord my soul to keep

if i die before i wake

Pray the lord my soul to take

Margaret:

I never wanted to cause you such pain

But there are times when my life was so frightening

maybe i do things that i can't explain

but my feelings for you never change

you are still my precious one

can you forgive what I've done?

Carrie:

mama you don't need forgiveness from me

oh I know that you do what you have to

I want to dry all your tears for you see

that i'm sorry for letting you down

god bless me now

can you look inside your heart

show me the mercy that you've always shown

Margaret:

(Simultaneous with Carrie above)

I was wrong

It hurts me

to hurt you

I'd rather die

than see you suffer

one day you'll bless me, by taking away

look inside your heart

that's where forgiveness must start

after all

Together:

We have no one except each other

Carrie:

I was so afraid that you'd leave me alone

and I'd die if you pushed me away

promise you'll be here

You're the reason I'm alive
You're all too powerful in my life
In my life there's only one thing true
I love you

Margaret:

(simultaneous with above Carrie) the world outside
that will leave you stranded
You're the reason I'm alive
You're the only reason I'm alive
In my life there's only one thing true
I love (always love)
you
