[Intro]

Yeah yeah x4

[Hook]

All this ice on me around my wrist around my neck  
I got so much Guap boy I dot even need to flex  
I got so much money that I'm running through a check  
I be running through a check  
Running through a, Running through a check x4  
Running through a check

[Verse]

Running through a check like an athlete  
All these bad girls keep attracting me  
All this money ain't no stopping me  
Rolling these dice like monopoly  
Yeah boy I'm sick  
You better gone called the doctor please  
Mir with the dreads we gone call him rasta king  
PDST with the polo on  
Pilot gang we been flown  
Royal Empire they got the throne  
Flip Squad they hold they own  
Yeah I beat it down I be it up  
I bring the beat back then I eat it up  
And I'm way to sick and I'm way to ill and I'm popping  
on this thang so you know you call me pill  
Yeah I know I got it and I just hit the lotto  
But I'm spitting like I did when I went in on the

[Hook]

All this ice on me around my wrist around my neck  
I got so much Guap boy I dot even need to flex  
I got so much money that I'm running through a check  
I be running through a check  
Running through a, Running through a check x4  
Running through a check

[Verse]

LuCre  
My calf muscle stay strong cause I stay running  
through a check

Aye prepp call 911 cause them girls they breaking they  
neck  
Just to see me not on tv  
It's so foreign like E.T  
Oh you never really heard about me flow well here go a  
free sneak peak  
Royal empire what I created  
I take your life and then elevate it  
When the people think about LuCre they really say I  
think heaven made him  
I swear I'm Asian not Caucasian  
Was 50 for a show now my prices raising  
I'm kicking pimping like FIFA  
And verses cleaner than Easter  
My life a movie without the film  
You can't be balling without the rim  
I'm greedy for money and I pray The Lord forgive me  
for all thy sins  
I ain't being fooled by these phoney girls  
Even in the summer im sporting Tim's  
All the fish in the sea belong to me  
And that's the reason why you only catching fins

[Hook]

All this ice on me around my wrist around my neck  
I got so much Guap boy I dot even need to flex  
I got so much money that I'm running through a check  
I be running through a check  
Running through a, Running through a check x4  
Running through a check

[Verse]

It's ant  
Running through a check like usain bolt  
My team getting paid bro  
We bout to drop a single  
You know how we do  
Chain is on froze not talkin North Pole  
You know how I kick it  
No mr.Miyagi  
I already know I got two bad bitties my shawties  
Yeah we riding round the city  
You know we getting busy  
My wrist is on glowey  
My pockets on swoley  
You know how we do it we gone make this music
