Lights out, silver in the darkness, shadows of Aquarius,
fading with the
Dawn
Freedom,... Utopia, exile to hysteria, a new age is born
Night follows day as they fritter away, on the quest of
the ultimate High
Wrap up tomorrow, beg, steal or borrow, so be where
the... at night
Vengeance, religion of the outlaw, the honor that you
die for, fearing of
The fist
Martyers, the children of the stardust, become one with
the universe, order
Of the fist
Carry that [further, the day after murder, the flavor
wakes late at your
Door]
Reap what you sow, it's the one life you know, and
you're chosen to live by
The sword (you die by the sword)
Scar them, brandi»¿ them as the outcasts, the faithless
and the
Hopeless, the faceless in the flames
Haunt them, haunt them ever after, no gods and no
masters, no
Duties, i»¿ no shame

Lights out, silver in the darkness, shadows of Aquarius,
fading with the
Dawn
Freedom,... Utopia, exile to hysteria, a new age is born
Vengeance, religion of the outlaw, the honor that you
