Kaleidoscope of color from the fountain jubilee
Atomic rays of sadness shine beyond the silver tree
The distant sound of chaos and brings the warriors to
be
A ride upon the carpet and it takes me to my fantasy

Hold on tight
Baby, hold on tight
Magic carpet ride

The butterfly superior of cosmic dust and sand
Sings the hymn of mystery and shadows evil land
Ashes rise to fill my eyes as darkness takes my hand
Upon the carpet plays the tune of Mother Nature's band

Hold on tight
Baby, hold on tight
Magic carpet ride

Here we go now, give it to me

A mountain starts to crumble as we race the giant fly
Our sunrise falls to pieces as the priest decides to lie
A cavalcade funeral is marching across the sea
To nest the velvet eagle where the angels' hearts will
bleed, yeah

Baby, hold on tight
Come on, hold on tight
Magic carpet ride

Take it down now
Come on, come on, come on, come on
Take a ride with me, take a ride with me upon the
magic carpet

Come on, come on, come on, come on
Take a ride with me, take a ride with me upon the
magic carpet

Upon the magic carpet, upon the magic carpet
Upon the magic carpet, alright
