Oh get up
Now get up
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea

I like them pretty little misses with their booties now
I like drinking four D smoking indoor
Sometimes I say my jeans but them crazies for
Just to catch my thoughts before they hit the floor
I'm practically every little thing you heard about
Just a ghetto kid that took the college row
Yes sometimes I talk about that church as
Plain the other things that scream and shout about
Like how I want my whole tells a four star better
Or how I just met a girl that only wears margela
Their bikini mercy in her purse
That's not leather just a handful of hersey
She ripped out when she got fed up
I mean, I seen all these friday things coming
As if the secret of Victoria wasn't so stunning
A nickle for her dad smoking dimes all in public
Fuck what they thinking I ain't never been a puppet
Get up

Oh get up
Now get up
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea

They like do that I have no idea how I got here
Tell your market finish lines we just call it good year
Urkle with my glasses all tell me what you can hear
If life's a fucking bitch I mean that pussy like a peps
mere
I say s'cuse me for like language
Riding this beast so hard call me manish
They say I'm a fire and your girl just ten it
I got what you lag in you're just saw my camp in
Gambino or gambino they say I'm so childish I say
that's a C note
Probably in Italy chilling on a stipo
Fucking white girls, peen or garijio
I swear this can't be life, I was living in the darkness
who turned on the light
Itching for a blessing as if I had life
Really I'm just out here getting mine
Now get up

Oh get up
Now get up
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
I say oh yea yea yea yea yea
Oh yea yea yea yea
