Chorus-Kid Ink

They say I'm this, and they say I'm that,
They won't give me a chance no,
But I do what I want, I'm a grown ass man,
Giving all that I can,
Please shut the fuck up,
Shut the fuck up,
Please shut the fuck up,
Shut the fuck up,

[Verse1-Pries]

They say stop, I say no,
They say Pries, please don't go,
Well what if I die they night they shot,
How many life's do I got?
What's the prize for this prize that I won't hide? can I
fly?
Let me saw through the straw for re ensure through my
raw,
Raw, raw, can't you see my claws?
I'm laughing at these vermin while I kill it, ha, ha,
They blog on they blogs but I don't see it, Ray Charles,
I hate the way we live today so I'll see you tomorrow,
But if I make it, know we made it, yes I made it just for
us,
Just for us, time's is rough can't afford no plane so
don't miss this bus,
Miss this bus if you miss this bus, I got my seat, I won't
get up,
I'm on some Rose Park shit so sit down & shut the fuck
up...

[Chorus-Kid Ink]

They say I'm this, and they say I'm that,
They won't give me a chance no,
But I do what I want, I'm a grown ass man,
Giving all that I can,
Please shut the fuck up,
Shut the fuck up,
Please shut the fuck up,
Shut the fuck up,

[Verse2-Pries]

They say this, they say that,
They say Pries, please don't rap,
Stay in school, it ain't you,
That I would never get my chance,
Fuck my past, I had a plan,
Now they mad of how I stand,
I was broke, this is true,
I had never saw what could I lose,
Look at me now, look at me now,
Tell me can they feel me now?
Can they see what I dreamed about?
I'm just trying to make them all fucking proud,
In my town, in my circle, result, no fumble,
I can't let this chance pass, understand, I'll stay
humble,
When I make it, know we made it, yes I made it just for
us,
Just for us, time's is rough can't afford no plane so
don't miss this bus,
Miss this bus if you miss this bus, I got my seat, I won't
get up,
I'm on some Rose Park shit so sit down & shut the fuck
up...
